MPROVED *URGEON'S TRUSSES for the radical care of H rata or Rupture, by HEBER CHASE.

The committee of the Philadelpsia areareal Society or the investigation of the radical cure of Herma, ob

Serve : "Fully impressed with the extreme caution required or forming co-clusions concerning changes of structure aking place in parts of one body concerned, not only by he integrate ats, but by tendinous matter and fascia, and where the nature of the disease renders the opportunity t post mortem examination exceedingly rare, your comattee has been desired to avoid that blameable haste in the decision of important questions which has too fre quently given to plausable out ingenious methods of treat ment a temporary reputation, to the abuse of public cos-tidence and the injury or the profession, by granting to empiricism the weight and influence of great names.

The instruments of Dr. Chase have effected the per manent and accurate retention of the intestines in every ase of hernia observed by the committee, without mate rial inconvenience to the patient, and often under trialmore severe than are usually ventured upon by those who wear other trusses—trials which would be imprudent with ny other apparatus known to the committee

The committee are induced, by the to:egoing conclu-

sions, to recommend, in strong terms, the instruments of Dr. Chase to the confidence of the profession, as the best known means of mechanical retention in herma, and as furnishing the highest chances of radical cure.

"They have no hesitation in saying that, were they in dividually affected with this terrible disease, they would er to this method of treate of a curing their comfort, salety, and ultimate chance of REVNELL COATES, M. D.,

WM. ASHMEAD, M. D., ISAAC PARRISH, M. D. Committee "All must now admit of the radical cure of Herma

and that Dr. Chase's Trusses are decidedly the best yell invented to effect that object." - Southern Medical and Surgical Journal. For the utility and excellence of these instruments, refer

ence may be I ad to the principal physicians of this city, who are prepared to apply them.

BRADLEY & CATLETT.

DE PHELPS'S COMPOUND TOMATO PILLS I have testimony of hundreds of Physicians and distinguished individuals, to the curative effects of these Prils, in ev ry variety of clime in the United States, Texas, and the Canadas, establishes them as the most

pleasant and efficient medicine ever discovered. In addition to their being the most agreeable and effi-cient cathartic that can be used, in Dyspepsia Constipa-tion, Kheumatism, Headache, Worns, Inflamation of the Bowels, Liver affections, Bilious Stomach, Colds, and the commencement of Fevers; Sea sickness, &c. their And all diseases requiring the aid of alterative medicines. This Extract is prepared from an improved formula, sanctioned by scientific Physicians and Pharmaceutists, and is decidedly one of the most active, efficacious, and convenient preparations in use.

The Extract is prepared from an improved formula, sanctioned by scientific Physicians and Pharmaceutists, and is decidedly one of the most active, efficacious, and convenient preparations in use.

This Extract is prepared from an improved formula, removing all obstructions of the glands wherever situated; Septrosities and Serofulous taints, in their incepient forms; and if persevered in affording all reasonable relief in cases of confirmed and neglected scrofula.

Taken either a short time before or after exposure, they render the system less liable to contract contagious

they render the system less liable to contract contagious or epidemic diseases, an should be resorted to by persons residing in low and marshy situations, or when travelling, or exposed to contagion. Also persons attending the sick, who by long watching and fatigue, or exposure to the effluxia of the sick room, become debilitated, and lose their appetite, will find great assistance from these Pills, in renovating and purfying the system, and restor-ing the functions to a healthy state. Persons debilitard by intense and long application to business or study, and those also of sedentary habits, will derive great benefit

For that congested and deranged state of the system. which occurs in the autumn and commencement of winter, these Pills are particularly applicable, in preventing rheumatism, coughs, cong stion of the lungs, &c and have prolonged many a life, which otherwise would have been a sacrifice to the changes of seasons.

Be particular to inquire for Dr. G. R. Phelps, and see

that the proprietor's signature is on the label, Price 374 cents.

bin, also, in most of the towns in the United States; where circulars containing particulars, and numerous stimonials of the highest respectability may be seen. Dec. 14

ARGEST AND CHEAPEST FOR ITA NEW PAPER IN THE WORLD !! Some it is stablishment of ALEXANDER'S WEEK! YN SEEN GER, which, without exaggeration, new boosts to as targe a circulation, in every part of the U tota, as any other Journal published in this city or easewhere, it has been proverbally acknowledged by at who pationise it as the largest and cheapest paper in the word! oren-der this truth more obvious to the public, and to place competition at a still greater distance than it yet has been, the Proprietor will commence a new volume at the b ginning of the year very considerably enlarged and approved as regards its Typographical a d Pictorial appearance, and the Literary reputation and interest which will be introduced into its columns. In this latter respect the first number is used in January, will convey a speci-men of the zeal with which the Propue for will prose-cate us anticipated asterations! It will be printed on a Double Sheer, twice the discussions of any paper is sued to Philanelphia-will co tain all the chor est officsions of the English and American Armuels to: 1340; and will comprise Six v four columns of close p me, presenting as much reading matter in one paper as would fill a large. Octave. Volume, and a variety of original prose and poe ical contributions will be selected for pub-lication on this occasion—besides, there will be is troduced from TEN TO TWENTY ENGRAVINGS illu trative of the most interesting to, ics which will be here brought together. The Publisher will commence the year with an IMMENSE EDITION, in autocipatt n of the ext prive increase which will take place in his Subscription List -and he again renews his request to those who contemidate forwarding him their names, to do so at once, that he may enter them in the Mail Books in proper order, to prevent centusion or the possibility of any mistake in transmitting the paper promptly to every one as soon as of comes from the Press!
